I am the new Archives Committee Chairman. This committee is responsible for locating, organizing, and preserving the memorabilia of Alpha State and of each local chapter. These state archives are primarily housed at Texas Woman's University; however, there are many items at headquarters in Dallas. The committee is responsible for maintaining the inventories at both locations and for helping chapters set up or maintain their own archives.

At [www.alphastatetexas.org](http://www.alphastatetexas.org) click on committees and then archives committee. Resources available there include, "Responsibilities of Chapter Archives Committee" and "Trash or Treasure", a wonderful guide from 2010 Area IX workshop.

### My Goals

To assist Chapter Archive Committees in setting up or maintaining Chapter Archives

To maintain and add to the inventories of State Headquarters and the State Archives housed at TWU in Denton

To act as a resource for Chapters and Area Coordinators with brochures, programs, and archival information as requested.

During the 2012 Alpha State Convention in Las Colinas, the State Archive Committee is planning opportunities for members to experience the State Archives housed in Denton and the memorabilia on view at Headquarters. A new project is underway, to collect DKG cookbooks for the Research Collection in Denton.

If you, as chairman of this committee, need help or wish an answer to a question, please contact the above chairman for advice or answers anytime during the year.

If you have suggestions or ideas that the state committee might implement, please submit them to the chairman named above.
