You have completed the first year of your biennium. Congratulations. I am available to assist you in any way possible. Don't hesitate to contact me. I want to visit your chapter during my biennium as area coordinator. Please indicate a suggested date below, if possible. (I prefer a regular meeting, not a social event, and I would love to meet with the executive board of your chapter also.)

My Goals

- **Strengthen ties within the area. Some possible ideas to achieve goal:**

I would love to have ideas and input from you on this goal! We are so far apart as far as mileage is concerned so I know this is a problem. How CAN we strengthen these ties. Please let me know what you and your chapter think of this goal?

- **Use the technology committee person from your area to assist chapters wanting to advance in technology .**

Since I am still President of my chapter...for 1 more year...I am very interested in this particular goal. I have recently appointed a person and hopefully a co-person to build my chapter a web-site. And as we all know...this will add points for the PACE award! If this is something your chapter is interested in...let me know as I and I can put you in contact with the people "in the know" who can assist you!

- **Assist chapters with ideas for gaining membership (Promote exchange of ideas within area.)**

This is another area that I would love input... from all of my chapters, to assist any and all of the chapters in our area. I have some ideas...such as a fancy Tea for prospective members. That is just one idea and I am sure all of you have other ideas as well....we just need to hear those ideas and share them with each other.

- **Develop an idea exchange within area chapters for energizing within the chapter and improving chapter attendance**

Perhaps we can set up an e-mail format for idea exchanges OR we can set up a **GO TO MEETING** among all of the Chapter Presidents in Area 11! I received some information at our initial LOSP meeting. What fun don't you think?
