Best time to reach me is evenings. Best way to reach me is by email.

I am the new Headquarters Committee Chairman. This committee is responsible for overseeing all maintenance for the building, approving all expenses related to the building, preparing a budget for building expenses for approval by the Finance Committee, determining the use of the building by members and chapters, establishing guidelines for the acceptance of gifts, presenting an annual headquarters operations report to the members of Alpha State and promoting public relations related to Headquarters.

My Goals

Encourage chapter and/or committee meetings at Headquarters so that members might return to their chapters with a greater understanding of the workings of the state executive office and an increased pride in the facility available to the Texas State Organization.

Extend an invitation to the members of the Texas State Organization to attend the 2012 Alpha State Convention in Las Colinas and include a visit to Headquarters as a means of participating in the organization beyond the chapter level.

Encourage chapter presidents through email to share the slideshow and brochure of Headquarters with their members to strengthen the chapters as they share a pride of ownership of the state organization with all other chapters in the state, strengthen their membership through identifying with the state organization and the history to be found at Headquarters, and encourage the members to plan a visit to see the state offices in person, thus promoting their participation beyond the chapter level.

If you need help or wish an answer to a question, please contact the above chairman for advice or answers anytime during the year.

If you have suggestions or ideas that the state committee might implement, please submit them to the chairman named above.
