I am the new Leadership Development for Chapter Presidents Committee Chairman. This committee is responsible for the training of new chapter presidents for the 2012-2014 biennium. This training will take place at the 2012 Texas State Organization Convention in Irving. At that time, chapter presidents will gain the knowledge necessary to lead their chapters into the future. Two excellent resources, compiled from chapter president input, are available on the TSO website. Go to [www.alphastatetexas.org](http://www.alphastatetexas.org) and click on Committees. Click on LDCP to view "Every Question Deserves an Answer" and "These Ideas Really Worked!"

## My Goals

1. Utilize suggestions from current chapter presidents to plan and conduct the Leadership Development for Chapter Presidents (LDCP) workshop for the incoming 2012-2014 chapter presidents.
2. Use technological resources to collaborate with Area Coordinators and chapter presidents to facilitate the sharing of ideas, resources, and concerns.
3. Communicate with chapter presidents to compile effective strategies for nurturing those members who will follow in future leadership roles in the Society.

If you as chairman of this committee need help or wish an answer to a question, please contact the above chairman for advice or answers anytime during the year.

If you have suggestions or ideas that the state committee might implement, please submit them to the chairman named above.
