I am the new Texas State Music Committee Chairman.

This committee is responsible for selecting all the music for the state conventions and for conducting the music workshop during the state convention which occurs during the even numbered years. The committee also helps the area workshops making sure that those who are leading the music workshops have all the materials they need to conduct the workshops. The committee members are an extension of the committee chairman helping wherever needed.

My Goals

1. Assume and carry out the responsibilities of the State Music Chairman. Provide a diversity of music for more participation.
2. Encourage chapter music chairs to collaborate with the Program of Work Committee to make music a vital part of all chapter programs and ceremonies.
3. Continue to encourage chapters to use DKG music publications and to compose original music and/or lyrics to support program themes. Network with chapters.

If you as chairman of this committee need help or wish an answer to a question, please contact the above chairman for advice or answers anytime during the year.

If you have suggestions or ideas that the state committee might implement, please submit them to the chairman named above.
