I am Texas State Parliamentarian for 2011-2013. This biennium we will be exploring possibilities that will help the Texas State Organization of Delta Kappa Gamma reach its vision of

Leading Women Educators Impacting Education Worldwide

This means we must work together to strengthen membership ties within the organization, educate our membership on the benefits of their membership, and concentrate on offering the best service possible to the membership and chapters.

If you as Parliamentarian of your chapter need help or wish an answer to a question, please contact me for advice or answers anytime during the year. If you have suggestions or ideas that the state committee might implement, please submit them me at the above address or email.

Your advice and knowledge of parliamentary procedure has helped your chapter president conduct meetings in a professional manner. You are responsible for implementing Robert's Rules of Order during the business and decision making portions of the chapter meetings. To insure that you have all the appropriate tools to make your second year even more successful than the first, please check your files for the following items:

- Constitution and International Standing Rules, 2010 (this is new)
- Handbook: The Delta Kappa Gamma Society International, 2004
- Robert's Rules of Order Newly Revised (RONR 10th ed.)

The first two items are available online from International Headquarters in Austin. RONR is available at most bookstores. Alpha State Bylaws and your chapter rules should be available for your use.

We are a team (Texas State Organization and your chapter) working together to reach the Society's vision of *Leading Women Educators Impacting Education Worldwide*. We want communication to flow both ways.
