Best time to reach me is evening. Best way to reach me email.

I am the new Personal Growth and Services Committee Chairman. The goal of the Personal Growth and Services Committee is to promote three of the Society's Purposes: I, VI and VII. The committee encourages chapters to present programs to enrich the personal lives of members and to develop service projects to make a difference in the [community](#).

This committee will address initiatives of our International President by promoting arts and humanities at chapter meetings and encouraging lifelong learning. Examples of this include sharing a poem or piece of artwork and presenting information on adult classes at local [colleges](#) or special interest workshops offered throughout the community.

Chapter projects will provide members the opportunity to serve their community by mentoring new teachers, supporting literacy and health issues, and other local needs.

My Goals

1. To develop a Unifying Project in which all chapters and members participate during the year. What an impact we will have as we join together with a focus on a statewide project.
2. To encourage your chapters to plan quality programs and projects that meets the purposes of Delta Kappa Gamma Society International while offering opportunities for members' personal growth.
3. To be available for chapter chairman to support the convention project that is selected that will impact the community during convention.

If you as chairman of this committee need help or wish an answer to a question, please contact the above chairman for advice or answers anytime during the year.

If you have suggestions or ideas that the state committee might implement, please submit them to the chairman named above.
