I am the new Scholarship Committee Chairman. This committee is responsible for receiving, reviewing, evaluating and approving scholarship requests in accordance with the criteria established for each specific scholarship. Follow the link to the applications and guidelines on the scholarship page.

Please pay close attention to the documentation needed. It is highly recommended that you send all of the documentation along with the application in one envelope to the state scholarship chairman.

State scholarship committee members are available to present informational programs to chapters in their immediate area, workshops at area events, and to answer individual member's questions. (Keep in mind they do not have any travel funds but I am sure they would be willing to help if nearby.)

My Goals

- To emphasize that scholarships are not just for "going back to school." Encourage members to check out the opportunities available by means of the mini grants and adult education.
- Encourage members and chapters to consider making a donation to ASTEF. Remind members that donations to the Foundation are tax deductible.
- Highlight the University of Texas scholarships set aside for attendance at ANY University of Texas BRANCH or at their main campus in Austin.

If you as chairman of this committee need help or wish an answer to a question, please contact the above chairman for advice or answers anytime during the year.

If you have suggestions or ideas that the state committee might implement, please submit them to the chairman named above.
