I am the TSO 2nd Vice President for 2011-2013. This biennium we will be exploring possibilities that will help the Texas State Organization of Delta Kappa Gamma reach its vision of

Leading Women Educators Impacting Education Worldwide

This means we must work together to strengthen membership ties within the organization, educate our members on the benefits of their membership, and concentrate on offering the best service possible to the members and chapters.

If you, as 2nd Vice President of your chapter, need help or wish to obtain an answer to a question, please contact me anytime during the year.

If you have suggestions or ideas that the state personnel might implement, please submit them to me. I will be glad to forward any information to the appropriate state person or committee. As an officer of the Texas State Organization, I am committed to serving you and will be more than glad to answer your questions and/or listen to your concerns. I am hopeful that during this biennium, you and I will see new practices at the chapter level that will enhance our membership numbers, involve all chapter members in a meaningful way and obtain recognition for you and your chapter.

We are a team (Texas State Organization and your chapter) working together to reach the Society's vision of *Leading Women Educators Impacting Education Worldwide*. We want communication to flow both ways.

Thank you for your upcoming service to our Society.

Katherine Reid
