

PROMOTING EXCELLENCE IN EDUCATION THROUGH SCHOLARSHIP, FELLOWSHIP, LEADERSHIP

Advance the Society: Believe, Engage, Learn, Lead

2010-2011 REPORT OF TEXAS STATE AREA 18 COORDINATOR

Chris Morrison

Lambda Alpha Chapter, Houston

Goals

1. To visit as many Area 18 chapters as possible, particularly those that I did not visit last year.
2. To assist and encourage Chapter Presidents in any way I can to make their chapters stronger.
3. To serve as a conduit for information from State Officers and State Committee Chairmen.
4. To hold a successful Area Workshop on September 11, 2010

Accomplishments related to goals

1. Visited 14 chapters.
2. Encouraged chapter presidents to complete another Chapter Wellness Check and to revisit their 2-5-10 year plan to help to achieve their goals and make their chapter stronger. Encouraged Chapter Presidents to use the revised PACE document as a tool for growing their chapters, as well as applying for the award.
3. Passed along information to Chapter Presidents from State President and other State Committees as needed.
4. Area Workshop had 158 members in attendance and excellent evaluations for all presenters and the Workshop overall. Handouts were all posted on a website, facilitating access for all attendees with a tremendous savings in printing costs.

Suggestions to chapter presidents and members for 2011-2013

1. Attend State and International Conventions and Conferences and Area activities because these are where you begin to find out what being a DKG member really means.
2. Ask for help early if you see your chapter is struggling; be quick to share your chapter's successes.
3. Remember that others are counting on you to take responsibility for your membership by active participation, meeting deadlines, and volunteering when you know a need exists. You ARE Delta Kappa Gamma.
