**TERRITORIES (BY COUNTIES) OF THE CHAPTERS IN
ALPHA STATE, TEXAS**

In the beginning, the Texas State Organization defined chapter territory in terms of county lines. Every one of the 254 counties in Texas was assigned some chapter or chapters. A chapter may draw its membership from among women who teach or who live within the territory assigned to the chapter. Due to chapter dissolutions, some counties do not have an assigned chapter.

As school districts have expanded beyond the lines of one county, The Delta Kappa Gamma Society International through its Headquarters has relied upon the Texas Education Agency for the county domicile of a given school district.
